# STASHH'S AIMS

**EDUCATION:** For medical students and pre-speciality trainees relating to Sexual Health and HIV medicine, including revision sessions and specialty workshops.

**MENTORSHIP:** Deliver a collaborative approach to mentoring with appropriately trained mentors within GUM.

**CAREERS:** Increase visibility and awareness of the specialty through recruitment events, promotion of national recruitment resources and engagement with training programme directors.

**PROJECTS:** Promote and facilitate opportunities for collaborative audits, research and quality improvement projects led by medical students and junior doctors across the UK. Facilitate opportunities for presentation of student projects at local and national conferences.
