Why is GUM complimentary to GIM?

- **Transferable skills:** Physician minded, procedural, communication
- **Multi-system disease specialists:** ITU, Haem, Ophthalmology, Gastro, ID
- **Linkage to secondary/tertiary care:** Let's talk about sex
- **Future recruitment:** Taster days, IMS1 clinic offer, exposure
- **Emerging disease specialists:** Adaptable, tenacious, resilient
- **Multidisciplinary:** Ageing cohort, what can you utilise in your trust?

How does being in GIM help our specialty?

- **Transferable skills:** Safeguarding, gender medicine, equity, IMD
- **Multi-system disease specialists:** STIs!!!
- **Linkage to secondary/tertiary care:** Let's talk about sex
- **Future recruitment:** Taster days, IMS1 clinic offer, exposure
- **Emerging disease specialists:** Mpox, syphilis & BBV opt out testing
- **Multidisciplinary:** Ageing cohort, board rounds, MDTs, education

Thank you: Q&A
